Returns: Notify our Return Department for instructions and authorization. Customer is responsible for all inbound and outbound shipping charges resulting from items ordered in error. Items can be returned only in unopened containers or packages deemed to be in saleable condition at the discretion of Fibre Glast Developments Corporation.

Hazard Charges: Ground Hazards are a minimum of $20.00 per box and Air Hazards are a minimum of $60.00 per box. Hazard Charges are specified by the carrier. We will minimize hazard charges as much as possible.

Handling Charges: We will charge $10.00 handling for any orders shipped on the customers' shipping account.

Product Certifications: Material Certifications can be issued to our spec under the following two conditions: If requested when ordering, there is a $5.00 charge per certification for all orders under $500.00. If requested after the product has shipped, there is a $25.00 charge per certification regardless of order size.

Shipping Prices listed are for the Continental United States ONLY. International, Air and Freight shipments charged carrier rate plus Handling. Hazard Charges added seperately at carrier rate. Purchase orders specifying terms other than those outlined here require written approval for acceptance. Prices subject to change without notice. Orders shipped best way, FOB Brookville, OH. Not responsible for typographical errors.
